Dear Mr. Richard J. R.

This is purely to convey my
Sincere appreciation for all the
troubles you went through in trying
to assist me - stranger from across
The Oceans and continents.

Yes, I feel very much honoured
by the services your office extended
to me. I ~~had~~ have written to John. I
just hope he is the one may ~~be~~ be
who moved from Oneonta to settle
at Otego.

Thank you. Have a good Easter
holiday and enjoy your Spring. I
cant forget also to thank your
Office mate Mr. A Bruce Carroll for
I am sure you that you both
struggled in order to feed me with
this very much needed information.

Sincerely Yours

Benedict M. Kitonyi
