Dear Sheriff Devlin;

On behalf of myself, and the Livingston County Sheriff's Office, I would like to thank you for the assistance you rendered this past Friday in locating John Martarello. At tragic times such as the fatal accident investigation it is comforting to have such a professional police agency as yours to assist our agency.

Would you please give special thanks to Investigator Michael Covert and the rest of your personnel that assisted.

If we may ever be of any assistance please do not hesitate to contact myself, and our agency.

Sincerely,

John M. York
Sheriff
