Dear Sheriff Deulin

On behalf of the Milford Central School district, I want to thank you for allowing one (or more) of our students to shadow you for a day. Our hopes are that the experience will give the student some insight about what it is like to work in your field, and whether it is a career that they might want to pursue. Thanks to your involvement, along with many other local professionals, we were able to meet the needs and interests of each student as closely as possible. We hope that it was a worthwhile experience for you as well, and that we can continue to work with you in future years.

If you have any questions, comments or concerns about the program please feel free to contact me at (607) 286-7910. **Thank you again for your participation!**

Sincerely,

Jennifer Carr
School Counselor
