Dear Mr. Devlin,

Thank you for coming to speak to our Leadership Otsego class on July 9th. I also want to thank you for your many years of service to our county. I have recently started to actively contribute to our community and am learning of the many challenges we face. I ~~hope~~ plan to live here for many years to come, and I also plan to serve in some way in every one of them. Your dedication to our community is a fine example to all of us, especially those like me that have many more years ahead to serve than behind us. I look forward to meeting you again.

Thank you again and again,

Sincerely,

Daniel Buttermann
