Dear Sheriff Devlin,

The Otsego County Chamber Leadership Otsego Class very much enjoyed their visit this past week with you and your team at your headquarters. You provided an excellent and very informative presentation on Public Safety for Otsego County. Your rankings on your presentation from our 32 participants survey ranked the highest for having shared valuable information. Thank you very much for your time and that of your staff for their service in assisting us with a very successful day.

Respectfully,
Barbara Ann Heegan
