Dear Mr. Richard J. Jr.

This is purely to convey my sincere appreciation for all the troubles you went through in trying to assist me - Stranger from across the Oceans and continents.

Yes, I feel very much honoured by the services your office extended to me. I ~~had~~ have written to John. I just hope he is the one may ~~be~~ be who moved from Oneonta to settle at Otego.

Thank you. Have a good Easter holiday and enjoy your Spring. I cant forget also to thank your Office mate Mr. A Bruce Carroll for I am sure you that you both struggled in order to feed me with this very much needed information.

Sincerely Yours

Benedict M. Kitonyi
