Letter to the Editor

Republicans should vote for Devlin

We have known Rich Devlin since his early teens and have watched him grow to become one of the most dedicated and civic-minded people we know.

He has progressed over the years from an Eagle Scout to volunteer firefighter and then on to the military and law enforcement. This is a man who is deeply committed to his profession and serving his community. You could not find a better person to take the place of our retiring sheriff, Don Mundy.

We urge all registered Republicans to make sure you vote on Primary Day and elect the man best suited to do the job, Rich Devlin Jr., the endorsed Republican candidate.

Carla and Jim Norton, Cooperstown
